Our Open Night was an opportunity for our current and future families and students to catch a glimpse of learning in action. Over 440 people attended making the night an outstanding success!

In-between Principal addresses, I did manage to escape to classrooms and labs and was mesmerised with the work our staff were undertaking with our students. Four comments from parents that were repeated throughout the evening:

1. You must be proud of your students.
2. Your students are proud of their school.
3. Your staff are incredible.
4. The grounds are beautiful.

Over the past 2 years our work has been underpinned by 3 key beliefs which customize everything we do:

1. Students need safe conditions to learn. We have a commitment to consistent responses for inappropriate behaviour across the school and have ensured additional leaders to cohorts of students to enable greater support for students to make positive behaviour choices.
2. Intelligence is fluid (and is underpinned by the knowledge that through targeted intervention, student skill level will increase. Learning is the highest priority and centres around our commitment to catering for the learning needs of our students. Therefore if a student is experiencing difficulty at school – whether in learning, behaviour or engagement, the first action is to drill down to the learning needs of students first. As a response to the needs of our students, we now have a Speech Pathologist working with teachers and students. We have employed a large number of additional staff to provide learning support and facilitate assistive programs including QuickSmart, Multi Lit and Read and Write Gold and our Gifted Program.
3. Students will grow in an environment of high expectations and standards

Below is a snapshot of some of the memorable moments shared by students:

NATHAN
My most memorable and rewarding experience at Seaford Secondary College would be joining the S.R.C. The experiences I have had through being part of the mind matters group, going to Adelaide for the national young leaders conference, going to the local primary schools as part of the Roadshow and helping out with fundraisers have enabled me to build skills in leadership. These experiences will take me through my school years and beyond.
From the Principal  CONTINUED

JOSH
I feel as though some of my most memorable moments are with the SRC, whether it be the Mind Matters Programs, or the Youth Leadership Opportunities; I feel as though I am contributing towards the community in a positive fashion.

STACEY
My memorable moment was when the Gifted Program was first introduced. I was told that I had to move Houses and leave my friends and the place I was comfortable with to be in the gifted program. The teachers and leaders at the school helped me cope with the move and honestly being in the gifted program and putting me in it was the best thing the school has done for me.

NAPLAN
Our Year 7 and Year 9 students will undertake the National Assessment Program, Literacy and Numeracy (NAPLAN) on Tuesday 13, Wednesday 14 and Thursday 15 May.

The results will provide valuable data about the performance of individual students and will be reported to parents/care providers later in the year. The school will also receive data that allows us to compare the performance of the year level against national standards and will help us to monitor the longitudinal attainment of students as they move through the school. For more information about NAPLAN please visit www.nap.edu.au

SANTOS AND SCHOOL SPORT
We have been thrilled with the results our students have been receiving in sporting events including SANTOS, SAPSASA, surfing, Volleyball and other school based sporting events. Our students have impressed with their excellent attitude, their risk taking and sheer determination to continue to improve.

I wish all of our families a safe and happy holiday.

Cezanne Green, PRINCIPAL

Harmony Day Celebrations

On Friday 21st of March Students at Seaford Secondary College celebrated Harmony Day with the theme, ‘Everyone Belongs’. It was also national ‘Take a Stand against Bullying Day’. Students received anti-bullying wrist bands during the week, as well as taking part in activities about Bullying and how we can achieve a world in which Everyone Belongs.

As part of this day the SRC ran a fundraiser with a Casual Day & BBQ, live music and a student soccer game being played. The event concluded by a ‘Best Dressed in Orange’ fancy dress competition. The day raised just over $700.00, and students will now vote on which charity they deem most worthy of the funds raised.

Ben Hardy, Head of House Boon Boona

SRC Update

Term 1

This year the SRC has moved to a new structure. In this structure each of the four Houses including Nashwauk, Tingara, Tigrress and Boon Boona has a male and female Captain from the senior school and Vice-Captain from the middle school. These captains will be responsible for running House meetings, making key decisions in the Student Voice decision making, leading change for school improvement and representing the school at important events. Congratulations to the following students that have been elected as House Captains.

ASHWAUK
Male House Captain  William Alyward
Female House Captain  Typhany Sellick
Male Vice-Captain  Nathan Fiedler
Female Vice-Captain  Ariana Panepinto

TINGARA
Male House Captain  Ethan Bartram
Female House Captain  Skye Jolley
Male Vice-Captain  Josh Yeend
Female Vice-Captain  Lauren Payne

TIGRESS
Male House Captain  Kaiden Stubbing
Female House Captain  Lauren Webber
Male Vice-Captain  Jedd Seipolt
Female Vice-Captain  Stacie Alyward

BOON BOONA
Male House Captain  Angus Deanne
Female House Captain  Stephanie Young
Male Vice-Captain  Daniel Jones
Female Vice-Captain  Jana Laczko

Ben Hardy, Head of House Boon Boona
SUPPORTING STUDENTS TO CREATE A BULLY-FREE SEA福特 SECONDARY COLLEGE

In 2014 The SRC and the Learner Well-Being Committee will be striving to support students to create a bully-free Seaford Secondary College. Selected students are using the training they received in previous years through the Mind Matters program as well as feedback from all students to implement a number of strategies at various stages throughout the year. To achieve this goal it is important that we have all staff, students and families working hard to support students to positive decision making and positive feelings of self-worth. Below are some tips for parents/carers in responding to student who may be being bullied or who are bullying others.

If your child is being bullied:
- Listen and provide support to your child
- Try to understand what has been happening, how often and how long.
- Encourage social skills, like being assertive, to tell the bully to stop and to seek help.
- Support your child to think through different ways they could deal with the problem.
- Talk with your child’s teacher or leader and ask for support.

If your child tells you about bullying he has seen or heard at school:
- Encourage your child to stand up for the child who is being bullied.
- Encourage your child to report what he or she has seen or heard to school staff.

If your child is doing the bullying:
- Make sure your child knows the bullying behaviour is inappropriate and why.
- Try to understand the reasons why your child has behaved in this way & look for ways to address problems.
- Encourage perspective-taking (eg “How would you feel if...”)
- Help your child think of alternative paths of action.

YEAR 11 & 12 TOURISM

On 12th March 2014, the Year 11 and Year 12 Tourism class went on a field trip to Port Noarlunga to study the natural and man-made tourism attractions of the town and beachside. Whilst there, they used industry based techniques to record and judge the management practices used in the town and the sand dunes. They also took the time to record the types of attractions and historical features of the Port. After the field trip they took the information gathered on the trip and are using it to construct a report covering the local area’s tourism attractions, impact of tourism and management practices, successes or otherwise, used in the town and sand dunes, making recommendations for future improvement. Students undertaking learning in action, gained knowledge in using the practical skills of the tourism industry to assess a destination for its ability as a host community to sustain tourism into the future.
Hi, Lani and Tammy from The Smith Family here! Firstly, we hope that you have had a great start to the school year, and that your children have settled in to their new classes well.

We wanted to take this opportunity to update you on a few things that we are doing as an organization around the school.

The Learning Club (Wednesdays from 2:00-3:00pm) has begun well this year. There are a number of students who are receiving some extra assistance with their school work from our volunteers once a week in the public library adjacent to the school. Thanks to Ryan Leaver from Community Partnerships at Work, and the generosity of the Seaford Homestyle Bakery, we are now also able to offer the students food when they first come into the Learning Club each week to help keep their energy up for an extra hour of work! If you would like more information regarding the Learning Club, please speak to either Matt Fry at the school, or call Lani at The Smith Family.

We are currently actively seeking volunteers for our Learning Club programs throughout Southern Adelaide. These programs run for an hour per week after school during school terms, and are designed to give students an extra hand in completing their school work. If you have a spare hour to share, and would like to assist a child to reach their full academic potential, please give Lani a call on the number below.

COMING UP:

- Year 10 PLP careers conference (week 10)
- Next Steps at SA Water (week 3, term 2)

LEARNING FOR LIFE SCHOLARSHIP INFORMATION
Reminder for 2013 School Reports to be returned to ensure payments are able to be processed. If you have not returned the school report by the 27th March your child will be placed on Grace, payment period for scholarships is 7th January through to the 27th March:

Semester 1 Payment Amounts
- School (Reception – Year 10) $250
- Senior Secondary (Year 11, 12 & 13) $430

For all scholarship information please contact Learning for Life Program Coordinator (Scholarships) Tammy Kennedy on 8186 2093 tammy.kennedy@thesmithfamily.com.au or Lani Chatfield 8382 7619

OPERATION FLINDERS
This term five students Tom, Brandon, Jacob, Doug and Zac, proudly represented Seaford Secondary College in Operation Flinders from March 20th - 27th. All boys are to be congratulated on their courageous efforts in completing the exercise to a very high standard. These students were joined by 4 students from Eastern Fleurieu School.

Operation Flinders is a South Australian based Foundation that runs a world leading wilderness adventure program for young people between the age of 14 and 18 years. Our students took part in an 8-day intensive operation in the far northern Flinders Ranges that incorporates many life skills including team building, self-awareness, values of self-esteem, motivation and leadership.

Another highlight of the trip was the way our students connected to students from our partnership school, Eastern Fleurieu. They formed very strong relationships that enabled the camp to run effectively and efficiently.

Over an action packed 8 day itinerary, our students enjoyed the beautiful surroundings of the Flinders Ranges, climbed Mt Rose, 788 metres above sea level, hiked between 10 -14 kilometres per day over rugged terrain, slept under the stars, showed exceptional leadership in: camp set up each night, food preparation, cleaning and safety.

Zac was presented with a Boomerang made from local resources in appreciation for his consistent efforts throughout the program whilst Brandon has been invited to take part in the Peer Group Mentor Program for his solid leadership skills shown throughout the program. Congratulations Zac and Brandon and all students who completed the program.

Brett Cochrane, Teacher Tingara House
**SANTOS ATHLETICS DAY**

On Tuesday Week 9 Seaford Secondary College took a team of students to SANTOS stadium for the annual zone athletics comp. This year 5 schools participated – Aberfoyle Park, Reynella East, Victor Harbor, Willunga, and Seaford. Although we finished 5th overall there were some outstanding results and a great day was held where students enjoyed their competition, supported their friends, and performed on a world-class facility.

Some of the great results were as follows:

All students competed with the utmost sportsmanship and competitive spirit. It was amazing to see the students so enthusiastic, successful and supporting one another. A huge thank you to all PE staff that teaches athletics during PE lessons and supports the students with their techniques, knowledge and attitudes. Thank you to Miss Haussen and Mr Turville for their help on the day and the positivity they spread to the students. The whole school should be very proud.

*Craig Ottaway, Sports Coordinator*

---

**BYOD ROLLOUT FOR YEAR 7’S**

Starting Monday 31 March, Year 7 students have been invited to bring in their own mobile ICT devices to join the school’s BYOD Network. This means that by the following week, all year levels from 7 – 10 will have had the opportunity to connect their devices to the network. The Year 11’s and 12’s already have the Mac laptops which were funded by the former system. This means that along with five computer rooms, two mobile laptop trolleys, and students connected to the BYOD Network, all students at our school are thoroughly well covered for access to ICT.

BYOD at Seaford Secondary College means that students access the Citrix operating system, which gives each user the same set of ICT programs needed for success at our school.

The BYOD Network + Citrix can easily be accessed at home and at school, so that after school hours, students can readily complete work begun in class. Locks have also been provided for students to store their devices in lockers, when not in use in the classroom.

Here we have Damian, Tyson, Crystalrose, Brooklyn, Charlotte, Aneeka, KC, Isabelle, and Madison showcasing their BYODs in front of Mrs Knott’s B10 classroom.

*Jennie Fraser, Digital Pedagogy Coordinator*
HIGH HOPES  Karen Michelbach, CPSW

Hi there,

Just the other day I heard a comment in regard to forgiveness. This person said, “If you don’t forgive, it’s like drinking a glass of poison and waiting for the other person to suffer from it.”

A friend of mine had years of health problems including chronic fatigue, chronic skin lesions and depression. She spent a lot of money on specialists and prescriptions. Therapies helped a little but there seemed no end to her condition. I visited her one time, after a period of about six months of no contact. I was amazed to see her full of energy and with clear, healthy skin! She explained that she had decided to document her childhood and family history into a DVD to pass onto her sons. During this time she had opportunity to process the hurts of the past and the resentment and lack of forgiveness she had held against her sister. She made the decision to forgive her sister and attempt to reconnect. Sending the DVD along with a letter, my friend was able to be reunited with both her sister, brother and also meet the nieces and nephews she had never seen. Her life opened up again to new opportunities and her health issues were a thing of the past.

Forgiveness is not easy; it can be really tough. But it is a choice that will free us and open us up to new opportunities – opportunities that don’t exist in a lack of forgiveness.

With Easter approaching you may like to participate in celebrations offered by our local Churches –

SEAFORD ECUMENICAL MISSION (Anglican, Catholic, Churches of Christ, Uniting Church, Lutheran)

Holy/Maunday Thursday 7.30pm for all congregations
Good Friday 9.00am Ecumenical (combined) service
Easter Sunday 9.00am Lutheran with Holy Communion

10.00am Anglican, Churches of Christ, Uniting Church (combined service) with Communion

10.45am Catholic Eucharist

SEAFORD COMMUNITY CHURCH
Good Friday and Sunday 10.00am Maslin Beach Community Hall Seeds Church
Easter Sunday 9.30am Noarlunga Downs Primary School

SEAFORD CHRISTIAN FELLOWSHIP
Easter Sunday 10.00 Seaford Community Centre

NATIONAL YOUNG LEADERS DAY

On 27th March four students from Year 11, Daniel, Tyler, Zoe and Ebony, who are Youth Opportunities graduates, attended the National Young Leaders’ Day at the Adelaide Entertainment Centre. Firstly we must thank Youth Opportunities and the Rotary Club of Hyde Park in sponsoring our students, aiming to extend leadership skills and continue personal growth.

It was a great event, with a range of speakers and the challenge made to each participant to identify the ways they can be leaders in their own lives.

The students were particularly impressed with the message of Daniel Flynn a founder of ‘Thank You Water’ a not for profit organisation that uses profits to fund humanitarian projects in Developing Countries.

Students also heard from: Squadron Leader Anneka Denton, Mountaineer Katie Sarah (first S.A. woman to climb Mt. Everest) and Mark Bickley.

Marion Mackenzie Assistant House Leader Nashwauk

NUNGA TAG CARNIVAL

On the 5th of March Chloe Wallace (ASET0) took 14 students from Seaford Secondary College to participate in the Aboriginal Community Event ‘Nunga Tag’, which other schools including Christies Beach High, Reynella East College, Wirrenda High, Brighton High were involved in. The 14 students played 10 games of Tag Rugby (Touch) and were successful in winning 5 of their games. They showed a high level of sportsmanship, encouraged each other, showed excellent skills in working as a team and most off all enjoyed themselves. Students were given opportunities to speak to members of the NRL, Services Providers and free goodie bags.

Chloe Wallace, ASET0
Our Open night was held on the 25th of March from 6pm to 8pm where our school became a hive of activity, showcasing learning in action, the many programs and opportunities that are available at Seaford Secondary College.

Our Year 11 Tourism class, student leaders and staff supported the guided tours, which left from the library into classrooms and around the beautiful school grounds.

The library featured the Principal Address, Indigenous Education, International Baccalaureate, The Eteam and the various VET and career pathways we offer.

On our school grounds appeared tents, trangia cooking, Outdoor Education and Physical Education. Tastes and smells drifted into the courtyard from our budding chefs in Home Economics and families were invited into open rehearsals in Music and Drama, music filling the corridors of our school. Dance opened its doors featuring an engaging and whole class workshop.

Chemistry, including the Year 11 and 12 class, showcased their lessons and Physics, Biology and Psychology were alive with interaction and experiments.

Visual Arts, Digital Art and Technology included students showcasing their current projects and expert skills. Japanese, English, Humanities, Maths and Learning support students proudly involved all visitors in their classrooms and eagerly shared their experiences from Seaford Secondary College.

Our Sausage Sizzle was a big feature for many hungry mouths.

Next year we are investigating the possibility of an Open Day on a Sunday afternoon. Please log onto our website and respond to the survey to provide some valuable feedback about your experience and our future open nights.

We sincerely thank staff, students and our community who supported the showcase of learning in action in the 2014 Open Night.

Amy Whyte, Head of House Tingara

---

**ZONE SURFING**

On Thursday 27th March, four Seaford Secondary School students participated in a Southern Zone ‘Come and Try’ surfing day at South Port Beach.

On the day the weather was fantastic for surfing, bright and sunny with light winds, however the swell was small. The girls involved learnt and developed their surfing skills and thoroughly enjoyed the day. The students involved were **Jannaya** A15, **Kayla** A15, **Emma** 1201 and **Abbie** B18.

Well done on a successful day of surfing.

Matt Freeman and Hannah Webb
**SEAFORD VOLLEYBALL**

The Volleyball SA Junior League commenced Sunday 30th March the first round of the Grading Tournament. Seaford had two teams playing and will have a further team play next week in the higher division.

Sunday was a great day of competition with teams a mix of students with some experience and new players who have been training but have never been part of a team in this format before. It was also the first time for a couple of the coaches who did seem at least as nervous as the students, at least until the whistle went and games began.

All students were great to have away at a tournament. I had several parents and coaches from other teams recognising the behaviour and great team-spirit our students displayed. I had some parents from clubs asking if their students were able to train and play with Seaford. I had to explain that we are a school team, we are not a club. This is a great compliment for our students; being recognised for great sportsmanship and enjoyment of the game.

All our students were enthusiastic and team orientated. The Girls won two and lost two and were really happy with how they played. Not bad for a first outing. The boys won two drew one and lost one. Also really pleased with how they played in patches and determined to improve in key areas.

This was a great start for new teams and many new players.

**WARRNAMBOOL SEASIDE TOURNAMENT**

Over the recent long weekend our Open Boys team competed in the Warrnambool Beachside Tournament. This large tournament is held mainly for clubs from around the country. Teams usually come from SA, Vic and NSW. This was a huge undertaking for our boys as much of the organisation was done by the boys themselves. Even at this higher level our boys found that they have the game and temperament to match with skills and the best from around the country.

Our boys were well led by Jesse Stone (C) and all players contributed to a very high standard. Again, we were complimented by other clubs and programs on the standard of play and manner in which the boys conducted themselves.

This pre-season tournament has helped the boys determine exactly where they are at in terms of high level competition and was good preparation for this seasons VSA State League season in which we will represent not only Seaford Secondary College but South Adelaide Volleyball Club.

As a Volleyball Program we are really excited about all the new players beginning the sport, training well and enjoying the game. This is a great start to a season of local competition and working toward Melbourne in December. New players are always welcome.

We would like to thank our sponsors, Andy’s Tyrepower Seaford and Wood ‘n’ Logs for their continued support of the program. There will be several fundraisers throughout the year so please support our students as they work to improve and develop their skills, game-play and teamwork.

---

**SAPSASA**

**FOOTBALL DISTRICT TEAM**

In Week 9 several Year 7 boys from Seaford Secondary College participated in the Onkaparinga South District Football Team football drills session.

From the session 5 students from Seaford Secondary College were selected for the squad and will train at the next combined school session. The boys that were selected were Shaye (B19) Kyle (C09) Byron (C09) Daniel (C09) and Jai (B19).

These boys will now train with the other students selected in the district and attempt to make the team that will participate in a week-long football carnival against other districts across the state. We wish them the best of luck!

**SAPSASA KO CRICKET**

In Week 5, Seaford Secondary College hosted Aldinga Primary in the KO SAPSASA cricket match. 11 Year 7 boys played in the game and although the match was lost, there were several highlights. Brad (C09) bowled 3 batters with his pace, Lachlan (C09) bowled excellent spin, took one wicket and bowled clean overs, and Byron (C09) batted very well through several overs. Well done to all the boys involved!

---

**SAPSASA DISTRICT ATHLETICS**

On Monday the 31st March, Seaford Secondary College competed in the SAPSASA District Athletics Day held at Tatchilla Lutheran College, Seaford had a squad of 19 Year 7 students who performed very well, with excellent results individually and fantastic results when working together as a team in the relays.

Jack (B10) won a 1st place in boy’s shot put, Jai (B19) came 2nd in his 200m sprints and Sean (B10) came 3rd in his 100m final. Amber-May (E02) won 2nd place in her 200m and 3rd in the 100m, while Linsey (E02) also came 2nd place in High Jump and 200m.

The baton relay at the end of the day was a highlight. The girls had worked hard in their lunchtimes in the week leading up to the day, and were rewarded with a 2nd place in both of their relays. The boys also performed well achieving a 3rd place in both relays.

Well done to all Year 7 students involved and a big thank you to Mr Turville and Mr Fraser for driving the bus, Miss Haussen for assisting all day with the discus duties and supporting the students, and Mrs. Read who marshaled our students to their events and help supervise. All had a great day!

PREMIER’S READING CHALLENGE
The Premier’s Reading Challenge has commenced for 2014, so come into the library, register, and collect your reading record! The reading list can be searched at http://www.premiersreadingchallenge.sa.edu.au/prc/ and there are plenty of books to choose from. Remember, if the book you want isn’t on the shelf, we can get it in for you.

YOUTH WEEK 2014
The library will be celebrating National Youth Week. Come in and register your interest in the following events:

- Tuesday 6th March: Lunchtime in the Library ICT- ‘Photo mash-up’ competition
- In pairs or individually, you will compete to come up with the Funniest and Most Creative photos using Photoshop or Photo Booth.
- Thursday 10th March: Lunchtime in the Library- Team Quiz
- Test your knowledge of all things weird and wonderful. Grab a group of friends and register to be a part of the fun!
- Yarn bombing workshops at Seaford library
- What is YARN BOMBING? A type of graffiti knitting (or crocheting). Knitters meet in the library each Thursday between 2.00–3.30pm. You can learn to knit during this time and children who want to learn are welcome too!

LIBRARY NEWS

WORKSHOP DATES FOR TERM 2
Tammy Kennedy (The Smith Family) and I will be co-facilitating PACTS Express Workshops next term in readiness for subject selection in Term 3. These Workshops will help arm you with the knowledge and confidence to play an active part in this process by explaining SACE, VET and the various pathways beyond school. Parents of students in all year levels are welcome to attend.
We are offering both day and evening sessions and will be offering Subway catering at both so please confirm your attendance by either phone or email by the RSVP dates listed below:

Workshop Option 1:
Date: Wednesday 14th May (Week 3)
Location: Seaford Secondary College/ Staff Conference Room
Start Time: 11.30am light lunch served / 12pm workshop start
Finish Time: 2.05pm
RSVP by: Friday 9th May

Denise Luker
Ph: 0429 439 011
denise.luker@seafordhs.sa.edu.au

Workshop Option 2:
Date: Wednesday 18th June (Week 8)
Location: Seaford Secondary College Staff Room
Start Time: 5.30pm light dinner served / 6pm workshop start
Finish Time: 8pm
RSVP by: Friday 13th June
