

Daymap Connect is an extension of the Daymap Learning Management System. It is a Parent Portal and combines communication and student management, by providing parents with access to key school and student information on their child's learning behaviour, progress and performance.

Accessing Daymap Connect

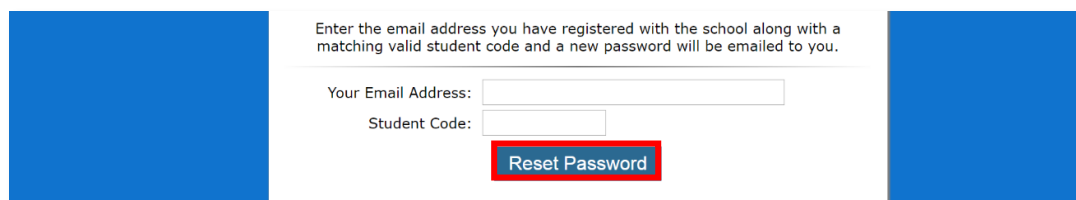

Daymap Connect can be accessed using a login and password per parent (with the option to provide multiple logins). The easy-to-use system allows parents to create and manage their own accounts for Daymap Connect and enables them to access details for all of their children enrolled in the school, anywhere and anytime.

The Daymap Connect log in screen is shown below. This can be found by using the URL address that the school has provided.

The login screen for Seaford Secondary College. It features the Daymap logo at the top, followed by the school name. Below this are two input fields: 'Username : Username' and 'Password : Password'. There are links for 'Forgot your password?' and 'Can't access your account?'. A checkbox for 'Remember Me' is present, along with a blue 'Sign In' button.

To create a new account as a new user, select the **"Can't access your account?"** option. Once prompted on the next screen, enter your email address (this must be the email registered at the school) and a student code (this will be provided by the school). Once details have been entered, click on **Reset Password**. A username and password will be sent instantly to your email account.

The Reset Password screen. It has a blue header with the text: 'Enter the email address you have registered with the school along with a matching valid student code and a new password will be emailed to you.' Below this are two input fields: 'Your Email Address:' and 'Student Code:'. A red-bordered button labeled 'Reset Password' is at the bottom.

Note: Due to security reasons, Daymap is unable to assist if there is an issue with accessing your account. For assistance, please contact your child's school.

Daymap Connect

Daymap Connect has different levels of access that are set by the school. A reduced access mode prevents access to sensitive student information and might be used by the school if you have not completed any required identity checks.

Daymap Connect is navigated via the tabs on the left side of the window to view messages, a calendar of events, school notices and account details.

Schools can customise which tabs are used; therefore, your parent portal may not look exactly like the images below.

Home Tab

This is the main page of the Parent Portal. On this page you will see recent messages and upcoming events. Click on a student icon to access information specific to each student (please note: if you have reduced access you will not see or be able to access individual student information.)

Dear 7R Parents

Today our 7R students presented the fantastic work they have completed as part of the practical component of their Construction Task.

Students have completed their self-assessment and peer assessments, and I was very impressed with their ability to reflect on their own work and provide constructive feedback to their peers.

Please enjoy these photos of the presentation. I am very proud of the hard work 7R has done on this task!

Mr J
