

## What is Daymap Connect?

Daymap Connect is an online portal that provides a Parent based Interface to our student management system - Daymap.

**This is a key communication tool between the school and our families.**

This will help keep track of:

### Attendance & Timetable

View your child's class attendance, history and weekly timetable.

### Communication & Events

The Messaging system allows you to communicate with your child's teacher. Events will keep you up to date with any bulletins, or excursions.

### Assessment & Reporting

View Assessment Tasks, Grading & Reports

## What you will need
