PRINCIPALS REPORT

Dear Families,

I would like to take this opportunity to wish our 2023 Year 12 students all the best as they undertake exams and complete their course requirements. I would also like to acknowledge the efforts of our staff who work in partnership with our families to guide, encourage, direct, and support our students to build and grow as successful young adults. I am proud to be part of this incredible journey. We will be able to officially celebrate our Year 12 student achievements and Seaford Secondary College Award recipients at our Presentation Evening on Wednesday, November 29, at the Hopgood Theatre.

As you embark on the next chapter of your lives, I want to share some wise words with you:

- Believe in yourself. You are capable of achieving anything you set your mind to.
- Don't be afraid to ask for help and take risks in pursuing your passions. There are people who care about you and want to see you succeed.
- As you embark on the journey beyond school, I encourage you to stay true to yourself and follow your passions.
- Enjoy this special time in your life. This is a new beginning, and there are many exciting opportunities ahead.

I am confident that you will all continue to do great things.
Go forth and make us proud!

PRINCIPALS REPORT

On Friday 27 October for World Teachers Day, we celebrated our amazing teachers, who are the heart and soul of our school. They go above and beyond to ensure that our students succeed.

This term, the ACE students created Muppets for the showcase performance at the end of the year, and their Muppets won first prize at the Royal Adelaide Show! Our Seaford Independent Learning Centre (SILC) students participated in Operation Flinders Exercise for, a seven-day trek in the Flinders Ranges, and they showed incredible resilience and determination.

I am also excited to announce that our International Program continues to grow and thrive. We are part of a formal agreement with Nihon University Mishima Senior High School Program (NUMSHS), which allows us to host students from NUMSHS for one year and send one student to Mishima, Japan, each April school holidays. Next year, Mr Ratcliff will be accompanying the students to Mishima. We also welcome Ms Miki Shimizu, a Japanese Language Assist Teacher from Himeji, Japan. Ms Shimizu will be with us this term and in Term 1 2024.

WORLD TEACHERS DAY

Friday 27 October was World Teachers Day.

The theme for 2023 was 'Hats Off To Teachers'

As a staff we celebrated by sharing morning tea and wearing a hat to school.

Thank you to all of our amazing staff.

WHOLE SCHOOL ELECTION AND 2024 SCHOOL CAPTAIN ANNOUNCEMENT

On Wednesday 25 October both staff and students took part in a whole school election process to vote for their preferred candidates for the 2024 School Captains. The candidates were required to create a one-minute video which was shown to all care groups prior to election day. Preferential voting took place in the Cultural Room, as a polling location, reflecting how we vote here in Australia. On the day we had a number of student helpers and staff to support the process. The day wouldn't have been a success without the teamwork of the volunteers and teachers.

On Monday 30 October at the Year 12 Farewell Assembly the 2024 School Captains were announced. A huge congratulations to Liam Edwards and Jon Moulds who have been elected as our school captains for next year. Our vice captains are Taya Dunkin and Riley Jones. Congratulations and the best of luck to the 2024 leadership team!

PEACE POLE CEREMONY

Lilly (year 8) and Kade (year 9), two of our SRC representatives were asked to represent our school at the Rotary Club of Seaford to support the implementation of a Peace Pole at the Seaford Wetlands Community Garden. Information about the Peace Pole can be obtained from the Rotary Club of Adelaide at adelaiderotary.com.au. The Peace Poles celebrate 100 years of Rotary in South Australia. Lilly and Kade were given a Certificate of Appreciation for attendance and a small token of thanks.

Representing Seaford Secondary College at the Rotary Club was an honour and an overall exciting and amazing experience. I was a bit nervous to do public speaking but the ladies helping were very helpful and welcoming (Lilly, year 8).

It was a very interesting and meaningful program/event. I hope to see many more plotted around SA in the future (Kade, year 9).

ACE Aquatics Excursion Friday October 27

On Friday, 17 students from E01, E02, E13 and E14 travelled down to Port Noarlunga Beach with Mr Broadbent, Mrs Walters, Ms Hill and Ms Cook for a day of aquatics.

The students participated in 2 sessions for the day and with good sunny weather and calm conditions, the students were lucky enough to go kayaking in the river as well as surfing down at Southport.

They learnt a range of new skills in kayaking such as rafting as a group, how to paddle forwards and backwards, safely getting in and out of the kayak and turning the kayak around. In surfing they learnt how to paddle for the wave, the steps to standing up on the board and how to protect themselves if they fall.

They all had an incredibly positive experience throughout the day and there were smiles all round from everyone.

SILC News

Operation Flinders Expedition.

Last term SILC students participated in Operation Flinders Exercise Four. The trip, from September 14 – 21, was supported by Teacher, Issy and Youth Worker, Mark and saw 9 of our young people venture around 700km north of Adelaide to Yankaninna Station on Adnyamathanha land in the far northern Flinders Ranges.

Students worked hard to raise around \$4000 with a couple of Bunnings BBQ fundraisers, a boot camp with Mark from Absolute Edge Personal Training where \$500 was donated along with other events supporting the cause.

The 7 day trek saw the team (Tango 10) cover over 80km with days of northerly winds and temperatures in the mid 30's and perfectly calm star filled nights. Participants carried all equipment daily in backpacks weighing around 20kg and then slept on a roll out mat under our "hoochie's" and the glow of the Milky Way each night. All cooking was done by camp fire and some of the meals were outstanding with one student's potato bake on the last night an absolute highlight. One night we experienced some dreaming stories around the campfire with Auntie Dulcie and Auntie Judy and the Governor of South Australia, Her Excellency, The Honourable Frances Adamson AC, also stopped by to share the experience. We also climbed and abseiled a 30 – 40 metre cliff and also climbed two of the properties highest peaks Yadala Mora (770m) and Mount Rose (920m).

Our Team Leader, Smithy and Assistant, Nikki provided incredible guidance across the inhospitable country where even the prickles have prickles and there were also plenty of team building activities along with time for reflection on who we are and where we are going. The team's motto became "Do the work!" and in combination with the Operation Flinders line "One step at a time" is strong advice for all to consider when presented with a challenge.

Thanks to all who supported the expedition, it is greatly appreciated by staff and students who participated, especially Operation Flinders and the Adnyamathanha people.

Some reflections from our young people:

“Operation Flinders was one of the most rewarding experiences I’ve ever embarked on. It was absolutely incredible! My favourite part was the beautiful sunsets and making so many new friends. It definitely had its challenges though. Climbing Mt Rose was extremely challenging but so rewarding in the end. Over the 8 days I learnt to push myself out of my comfort zone to achieve new heights.” **Paige**

“I would have to say the hardest thing would be climbing Mount Rose but that was also the best thing as the view at the top was breath taking” **Brodie**

“The hardest thing during Operation Flinders was my mind telling me I couldn’t do something, the best thing was pushing through those thoughts and doing it and I learned to never tell myself I can’t do something I want to do.” **Summer**

“My favourite thing to do was definitely the abseiling and the walking was absolutely the hardest part. I learned a lot but am proud of how my social skills have improved.” **Marcus**

Parliament House Dinner Event- Wednesday 27 September

A small group of year 11 and 12 students who were predominantly from our Student Representative Council had the opportunity to meet Chris Picton our Health Minister and Member for Kaurua. This unique experience consisted of having a tour of Parliament House led by Chris himself along with a three-course dinner. Claudette (yr 11), Isabella (yr 11), Elisha (yr 11), Kaleb (yr 12), Helena (yr 11) and Tait (yr 11) attended this event and were given the chance to ask Chris questions about his schooling, career, politics and his ambitions and future plans as Health Minister. 2023 SEMESTER TWO UNIFORM EXPECTATIONS

All students are expected to be in full school uniform every day. The described Seaford Secondary College uniform is the only acceptable uniform.

Students out of school uniform will be expected to change into appropriate loan uniform with the support of their teachers and leaders. A plan will be implemented, in partnership with parents/care providers, to support students to be consistently in full school uniform.

It is important to ensure that school uniforms are returned promptly after borrowing them. This helps to ensure that there are always enough uniforms available for all students and that the school can maintain a clean and organised inventory. If a uniform is not returned on the same day it was borrowed, parents and caregivers may be invoiced for the cost of the uniform. By returning school uniforms promptly, we can help to ensure that all students have access to clean and well-fitting uniforms, which can help to improve their overall academic performance and self-esteem.
