

Daymap Connect is an extension of the Daymap Learning Management System. It is a Parent Portal and combines communication and student management, providing parents with access to key school and student information on their child's learning behaviour, progress and performance.

## Accessing Daymap Connect

Daymap Connect can be accessed using a login and password per parent (with the option to provide multiple logins). The easy-to-use system allows parents to access details for all their children enrolled in the school, anywhere and anytime.

The Daymap Connect log in screen is shown below. This can be found by using the URL the school provided.

The image shows a screenshot of the Daymap Connect login interface. At the top is the Daymap logo. Below it is a link that says "Staff and Students click here for Daymap". There are two input fields: "Username" and "Password". Below these fields is a blue "Sign In" button. At the bottom of the form are two links: "Forgot your password?" and "Can't access your account?".

Creating an account will differ depending on your child's school and their contact management. Some schools will send a link via email, which you will follow to set up your account. Alternatively, if the school has notified you that your account has been enabled, you can click [Forgot your password](#) and you will be redirected to a password reset page.

You will need to enter either your email address that is registered at the school or your parent code as provided by the school. Some schools also require the student code that they would have provided you. Once details have been entered, click on **Reset Password**. A username and password will be sent instantly to your email account.

**Parent Password Reset**

Enter the email address you have registered with the school along with a matching valid student code. A link to set your password will be emailed to you.

**Note:** Due to security reasons, Daymap is unable to assist if there is an issue with accessing your account. For assistance, please contact your child's school.

## Daymap Connect

Depending on the way your school has configured it, it is possible that not all features and tabs will be visible to you. A reduced access mode prevents access to sensitive student information and might be used by the school if you have not completed any required identity checks.

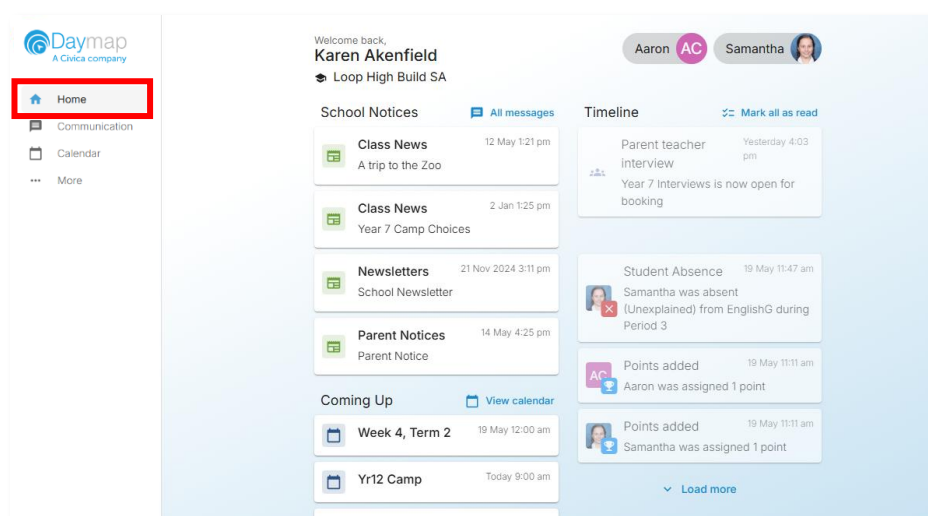

Daymap Connect is navigated via the tabs on the left side of the window to view messages, a calendar of events, school notices and account details.

Schools can customise which tabs are used; therefore, your parent portal may not look exactly like the images below.

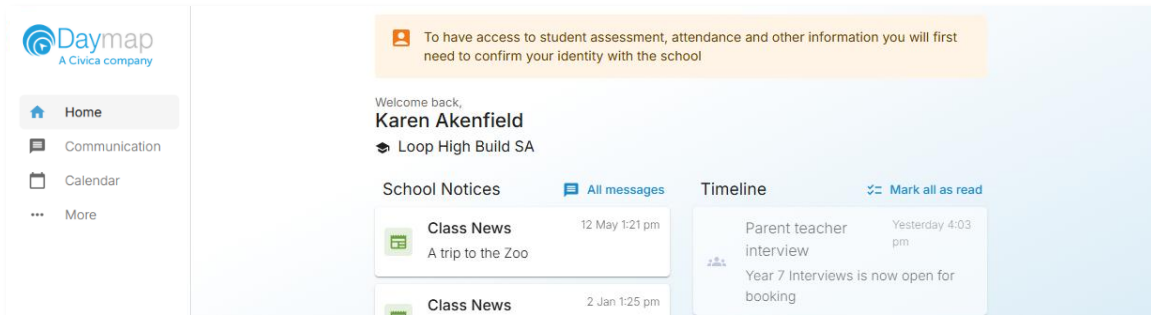

### Home

This is the main page of the Parent Portal. On this page you will see recent messages and upcoming events. Click on a student icon to access information specific to each student (please note: if you have reduced access, you will not see or be able to access individual student information.)

### Full Access

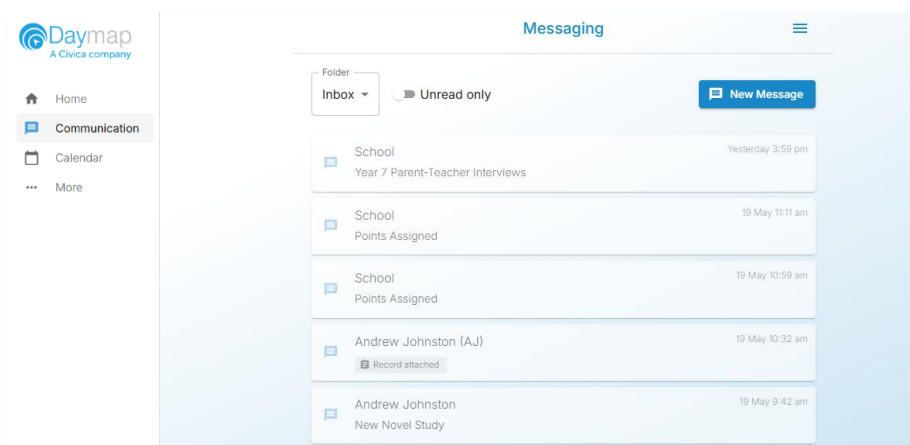

## Reduced Access

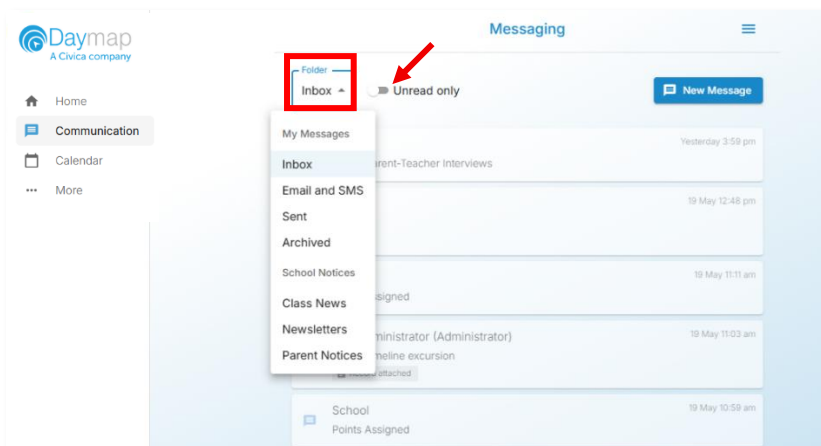

## Communication

This shows all messages received and sent from the parent portal, enabling you to easily contact teachers about any issues of importance: excursions, reminders, personal matters etc. This is a fantastic tool to keep you up to date and aware of what's happening in your child's classroom. You are able to reply to received messages and receive email notifications on unread Daymap messages.

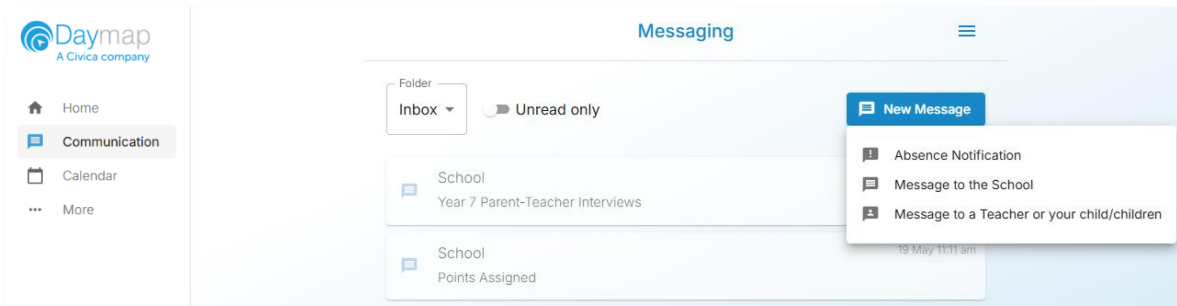

Use the **Folder** drop-down menu to switch between different message and school notice folders.

Enable the **Unread Only** filter to display only messages that haven't been read.

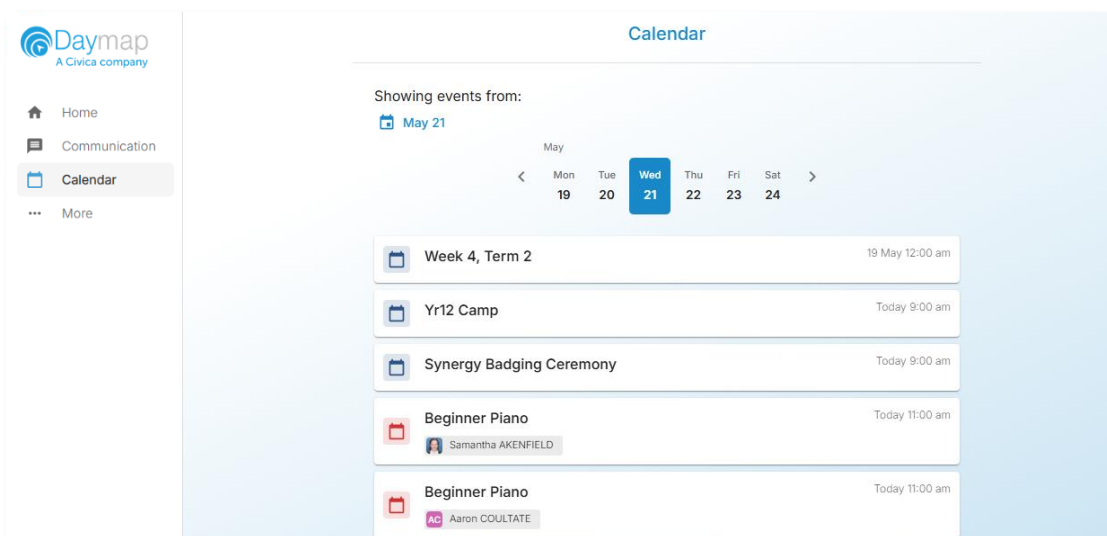

## Absence Notifications

This function allows you to notify a student's absence from school. It enables the selection of the relevant student(s), the reason for absence, the date, and any additional notes or necessary attachments, such as a medical certificate.

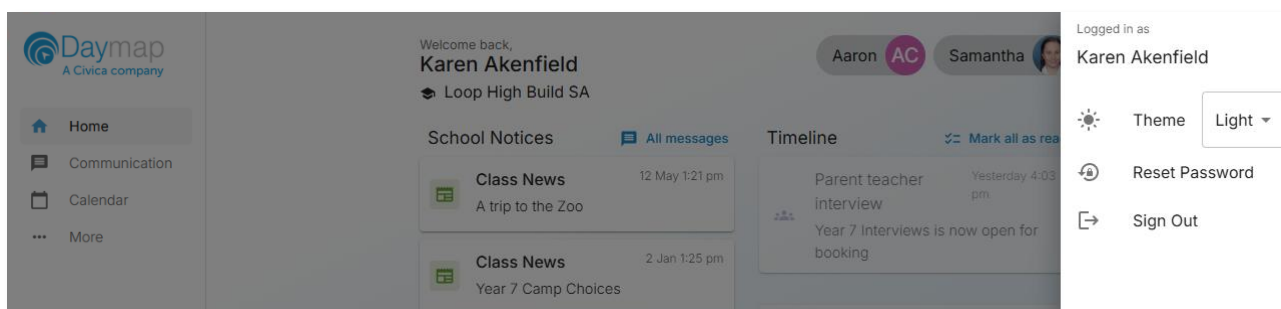

## Calendar

This provides an overview of school and student events, such as upcoming school holidays, excursions and parent teacher interviews. The Calendar can be viewed by Day, Week, Month or Timeline.

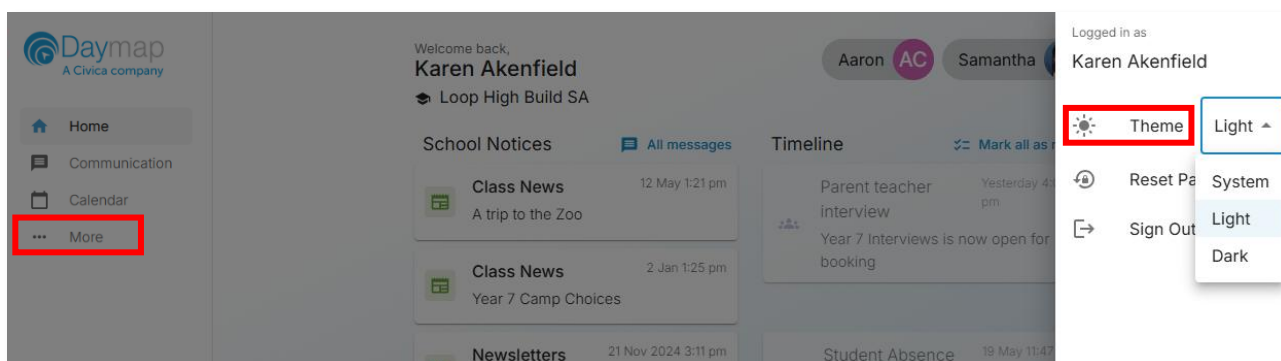

## More

This provides options to change the site's **Theme**, **Reset Password**, and **Sign Out** of your account.

## Dark/Light Mode

The Parent Portal can be used in dark mode, or light mode. Click on the icon to toggle between modes. Alternatively, selecting **System** will automatically match your device's current display settings.

## Student Profile

From the Daymap Connect home tab, you can click on a child's name to view their student profile which provides more detailed information on their attendance, assessment and details. This assists you to keep track of your child's progress at school.

## Home

The Home Tab displays a snapshot of student activity tasks and homework and any upcoming events. Student Activity is listed in chronological order, the school determines the types of information they will include here. All tasks and homework are shown with the set and due date. Upcoming events displays your child's timetable for the upcoming week.

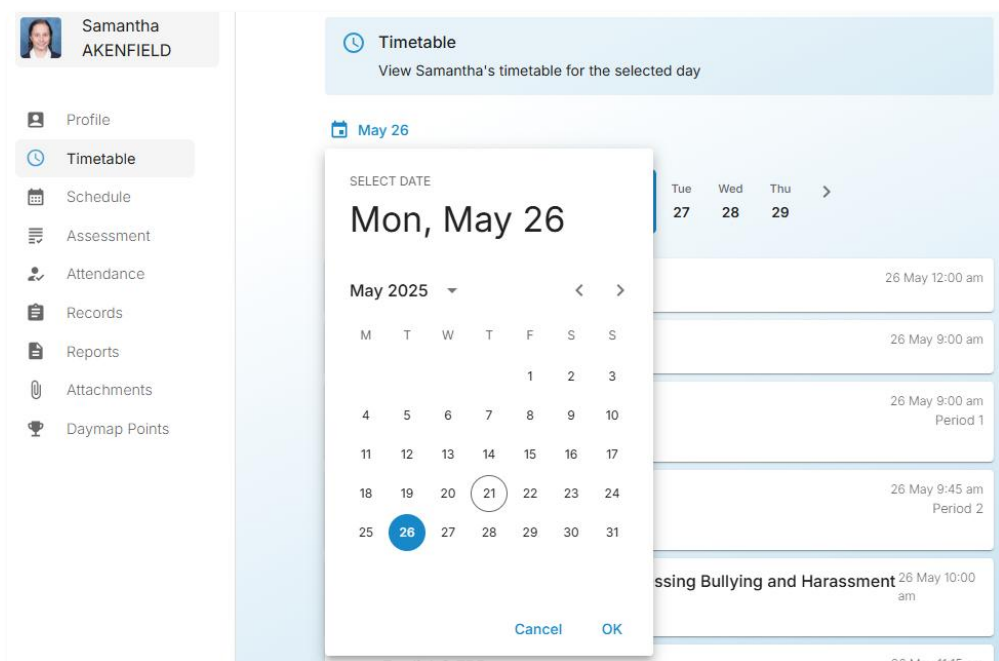

The screenshot shows the student profile for Samantha Akenfield. The left sidebar contains navigation links: Profile, Timetable, Schedule, Assessment, Attendance, Records, Reports, Attachments, and Daymap Points. The main content area displays the student's name, photo, and details: Code AKER02, Year 7, House GOLD. Below this is a summary of academic performance: Grade Average 1, Positive Recognition this term 1, Late Pass 2, Points this term 20, and Points per year 20. A table lists recent points for various subjects: French (77), English (3.6), Attendance (Unapproved), Recent Points (8), English (G), French (C), Graphic Art (A), Geography (C), History (C), Maths (C), Phys. Ed. (C), Religious Ed'n (D), Science (A), Behaviour Incidents (Term) (1), and Test Indicator (20). The 'Samantha's Timeline' section shows three events: Student Absence (19 May 11:47 am), Points added (19 May 11:11 am), and Student Absence (19 May 10:09 am).

## Timetable

This shows a daily calendar view of the student timetable and any additional events for the day.

Use the checkboxes on the right to filter the items you view when looking at the calendar. The buttons on top of the calendar allow you to change your view from week to month or day.

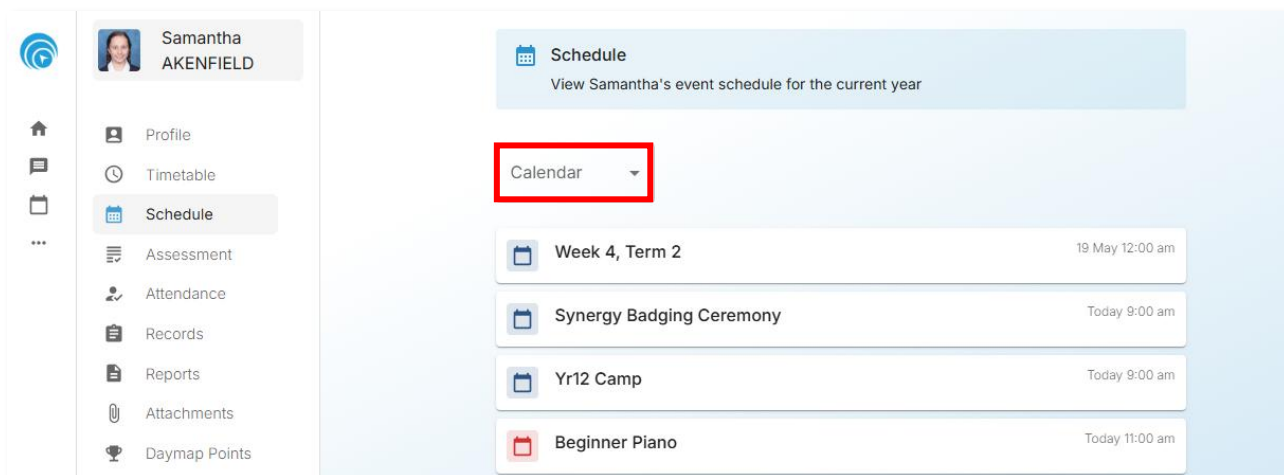

The screenshot shows the student timetable for Samantha Akenfield. The left sidebar is the same as the profile page. The main content area is titled 'Timetable' and includes a sub-header 'View Samantha's timetable for the selected day'. Below this is a calendar view for May 26. The calendar shows the following events: Week 5, Term 2 (26 May 12:00 am), Blue Monday (26 May 9:00 am), Graphic Art ATR (26 May 9:00 am, Period 1), and Graphic Art ATR (26 May 9:45 am, Period 2). The calendar also includes a navigation bar for the month of May, with days 24, 25, 26 (selected), 27, 28, and 29.

## Schedule

This shows your child's upcoming schedule, detailing calendar events, excursions, tasks and scheduled classes.

Using the **Calendar** drop down will allow you to select and filter items based on their calendar type.

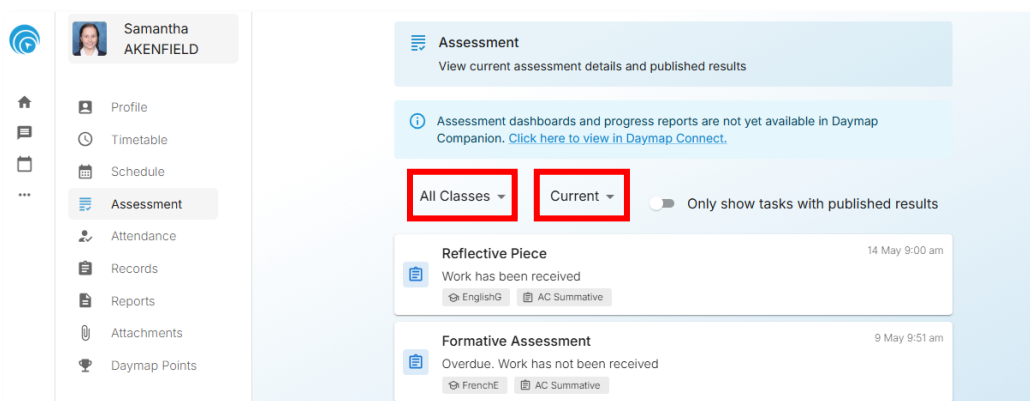

Scheduled classes can be selected, to view a detailed overview of each lesson, including key information such as the subject, teacher, scheduled time, attendance and notes.

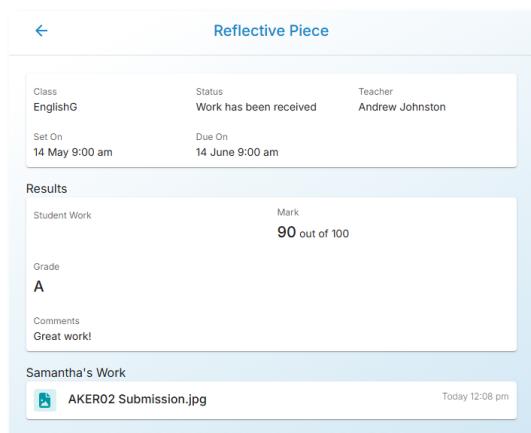

## Assessment

This section provides an overview of your child's assessment. Depending on how your school is using Daymap, you may also see additional tabs for current tasks, completed tasks, the assessment schedule, and course outlines.

The **Classes** filter allows you to choose which tasks to display based on a specific class. The **Period** filter lets you select whether to view only current tasks, all tasks for the year, or all available tasks.

Clicking on a task will open a detailed view, including all relevant information and any attached files.

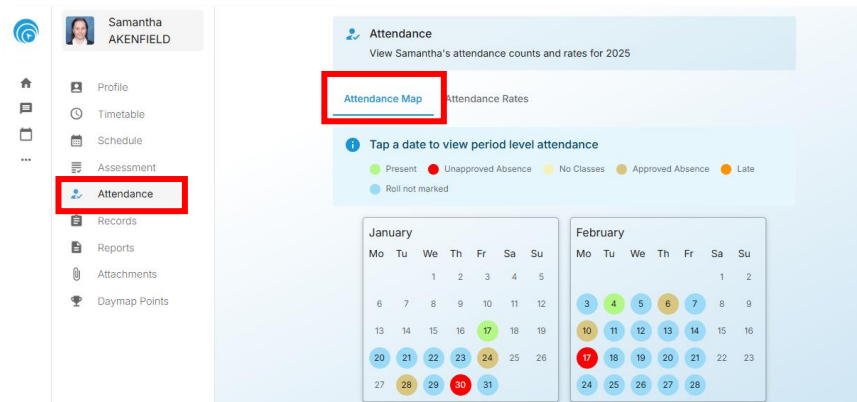

The **Course Outlines**, **Assessment Schedule**, and **Progress** data are being developed for the new Daymap Connect experience. To access, please refer to the old experience of Daymap Connect.

## Attendance

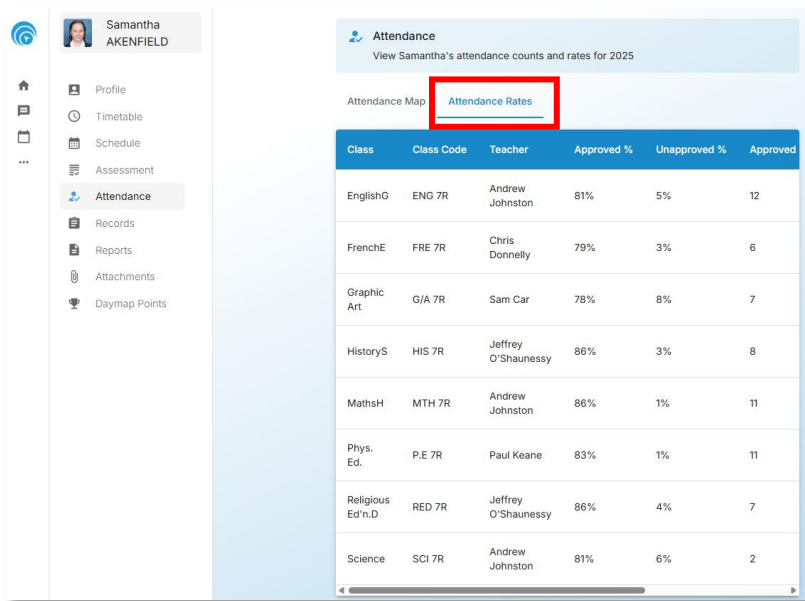

Attendance presents a colour coded **Attendance Map**, displaying attendance levels across the calendar year.

Clicking on a date will show the period level attendance for that day.
